Submission closes 10th December 2021.

All Alebrije submissions will be exhibited in our Spring exhibition 2022. Around 20 submissions will be chosen and built together by you and your family under our guidance at in our studio. If your alebrije is chosen and you wish to have it built, you must be available to create your alebrije with us during the winter months. We will be in touch to check with your availability.

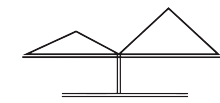

Submissions chosen and built will also require a video or audio interview of your child talking about his or her alebrije. Face and body can be hidden with request.

* Email and phone correspondence will adhere to the strict GDPR policy on data protection. For further information, please contact info@thehopbarn.org.uk for a copy of the data protection policy.
